Dedication

"To waken interest and kindle enthusiasm is the sure way to teach easily and successfully." - Tyron Edwards

Surely this is the motto of one of Brockway Area High School's favorite teachers. In his classes he is demanding but understanding and eager to impart knowledge to those whom he teaches.

As the advisor of several clubs, he has given advice and encouragement to many students. A good friend both in and out of class, he is admired by all who know him.

It is with deepest gratitude and sincerity that we, the Senior Class of 1967, dedicate this, the twenty-second edition of the DAWN, to Mr. Gary Keister.

ADMINISTRATION

BAHS Administration

Mr. Blair Rupert
Superintendent

Mr. C. Mahlon Johnson
High School Principal

People are sometimes inclined to take for granted the school and its functioning. This is due mainly to the fine job that is being done by school administrators throughout the country. We, the students of BAHS, feel that we are blessed with one of the finest administrations to be found anywhere. Our administrators, Mr. Rupert, Mr. Johnson, and Miss Longwell, devote countless hours to jobs that are all too often thankless. However, the senior class of 1967 would like it to be known that the work done by our administration has not gone unnoticed. We thank you.

Senior Gridders

The 1966 Rover Varsity Gridders were a true tribute to the spirit of B.A.H.S. Led by these six outstanding seniors, the varsity football team exhibited true fortitude and proved not only to the student body and the people of Brockway, but to itself, that football is not dead in Brockway. Aided by the tireless efforts of Coaches Pinge, Murnyack, and Slifko, the Brockway Rovers broke a two year losing streak and, in doing so, hoisted the storm warnings for next season.

The Rovers got off to a flying start this season by winning their first nine games before dropping the Championship game of the Bucktail Christmas Tournament to Williamsburg. The Rovers should fair well in the Allegheny Mountain League which consists of Brockway, St. Marys, Sheffield, Johnsonburg, and Ridgway. This year's varsity club, which is made up of ten Seniors and two Juniors, has done a tremendous job in giving Brockway school spirit a real "shot in the arm." Coaches McNulty and Green, and these varsity ball players have done a job that they can be proud of.

The 1966-67 Rover wrestling team has become a squad to be reckoned with. Although the boys are only sporting a .500 average, the team has lost several heartbreakers and has been a stiff competitor for everyone it has faced. Coach Alex Murnyack has done a fine job with his boys, and, with a promising JV squad, the Rovers should be a power in the area next year.

Golf is one of the fastest growing sports in America. In particular, this sport has caught on with the young people of our country. Brockway Area High School is no exception. As a result, it was decided several years ago that our school would organize a golf team. Since its inception the boys of BAHS have done very well against competition from schools much larger than ours. Mr. Keister, who is the team's coach, and his boys have certainly done a fine job.

ACTIVITIES

Rover Band

Mr. Donald Rouch has again presented the students of Brockway Area High School and the citizens of Brockway with one of the finest marching bands in the area. The band distinguished itself by performing admirably at the football games. Its clever maneuvers and snappy marching were appreciated by both football and band fans. The band also took place in several area parades, placing highly in all of them.

Concert Band

The 1966 Concert Band

The Concert Band has brought quite a bit of distinction to Brockway Area High School. Any time this band holds a concert it is almost guaranteed a packed house. The fine reputation of this band has certainly spread throughout Jefferson and Clearfield counties. Mr. Rutch, who conducts this band, has molded these musicians into a group to rival any such organization in the area.

The Brockway Area High School colorguard has certainly been stepping out in high style this year. These girls spent many hours during the summer attending a camp. As a result they have perfected many new and interesting routines, including colorful flag twirling. The already superb halftime programs of the band were improved even more through the efforts of these girls.

The high-stepping majorettes of our school have played an important role in our band. To help perfect their routines, the majorettes attended majorette camp for a week during the summer of 1966. Under the leadership of Mrs. Siple, they have added color and enthusiasm to pep rallies, half-time programs, and parades.

Athletics won once more a strong point of Brockway Area High School. Our teams enjoyed more success this year than they have in previous years. The Pep Club would like to think that it had a hand in adding to this success. The girls of this club have tried to instill the spirit that is necessary to win into not only the athletes, but also into the students of B.A.H.S. Mrs. Siple, the advisor of this club, can be very proud of these girls.

All schools need plays-- football plays, basketball plays, and stage plays. The quarterback calls the plays on the field, the backcourt man calls the plays on the court, and the director calls the plays on the stage. Mr. Green and Mr. Doolittle have been calling the plays on the stage at BAHS for several years. These two men have served as advisors for the Thespians and have spent the countless hours that are necessary in helping the Thespians produce successful plays.

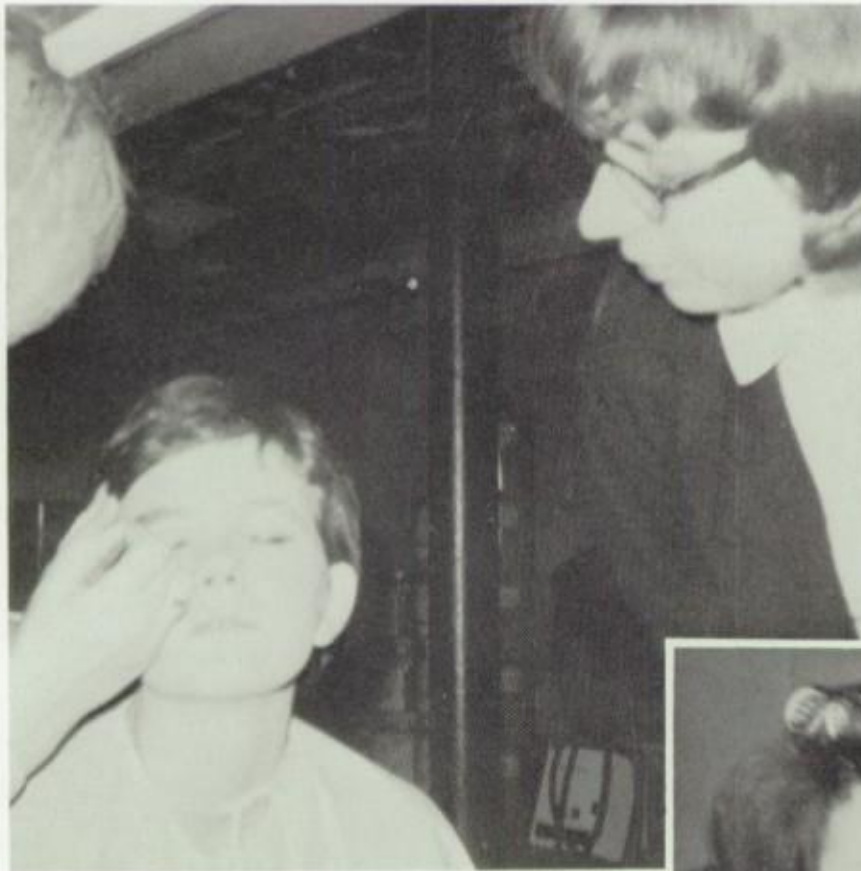

This year the Seniors, with the help of their advisors, presented "Thunder on Sycamore Street", a dramatic story of a man who dared to be different.

Alma Mater

Alma Mater

In a Peaceful, Quiet Valley
Under Skies of Blue,
Stands Our Noble Alma Mater
Glorious to View.

Lift the Chorus, Speed It Onward,
Praise Her to the Sky,
Hail to Thee, Our Alma Mater—
Dear Old Brockway High.
